

2024

31 AUG – 1 SEPT

We would like to thank you for participating in the 2024 Western Pennsylvania Sectional Championship sponsored by Muhlenkamp. It is a great pleasure being able to host Pennsylvania's premiere match again. We hope you enjoy the match and the challenges that await. We wish you the best of luck and hope you shoot to your potential. If you have any questions or comments, please do not hesitate to ask me or any of the staff. We hope you enjoy the 2024 Western Pennsylvania Sectional Championship and will join us in June of 2025 when Greater Pittsburgh Gun Club hosts the Area 8 Championship again.

Respectfully,

Bill Drummond

MATCH BRIEFING

COLD RANGE: Greater Pittsburgh Gun Club is a cold range. If you should arrive at the range with a carry gun, you must immediately find a Range Officer to clear the weapon and put it in your bag. The gun will then be returned to your vehicle.

SAFETY AREAS: Firearms can only be managed at a safe table. There will be no bagging/unbagging of handguns permitted from your vehicle. PCCs may be bagged/unbagged at the vehicles if flagged and managed in a safe manner (muzzle up or down). All gun handling must take place at a safe table or under the direction of a Range Officer. As a reminder, handling of ammunition at the safe table is not permitted. This will result in a match disqualification. PCCs may be managed within two yards of the side berms and on gun racks.

EYE & HEARING PROTECTION:

While on the range, competitors and spectators must always wear eye and hearing protection.

FIRST AID: If you are having difficulties or need assistance, please let a Range Officer know.

SET STEEL & TAPE TARGETS:

Competitors are expected to tape targets and set steel.

MATCH SCORING: The match will be scored using PractiScore. Score logging will be enabled and emails sent for receipts. Scores will be posted regularly during the match, at least at the lunch break and when done for the day.

STAGE WALK-THROUGHS: If no competitors are shooting on Friday, preparing to shoot, or scoring the stage, registered competitors may enter or move through the course of fire. On Saturday and Sunday, competitors may only enter or move through the course of fire with prior approval of either the Range Master or the Range Officer assigned to that stage. No activated targets may be managed or manipulated during stage walk-throughs.

LOST BRASS: As a matter of efficiency, all brass is for staff to collect.

RANGE FACILITIES

CLUB HOUSE: Apart from shooter registration and lunch, the clubhouse will be off-limits to competitors. Only select staff are permitted to enter the clubhouse.

RESTROOMS: Portable restrooms are located conveniently throughout the range.

FOOD SERVICE: Lunch will be determined on the day of the match. Food will be available for competitors to purchase. Picnic tables will be located outside the clubhouse.

PARKING: Parking is anywhere in the grassy fields near the bays or surrounding areas.

A test bay is available for competitor gun issues. Competitors must have permission from the Range Master to use this bay.
